

other benefit of any kind payable for that year and any other year);

(3) The total amount of such relief which has been previously provided to the participant using this special authority for errors in that year, as calculated above, is not more than \$5,000;

(4) The total amount of loans, payments, and benefits of any kind for which relief is provided to similarly situated participants by the SED (or the SED's predecessor) for errors for any year under the authority provided in this section, as calculated above, is not more than \$1,000,000.

(b) *Report of the exercise of the power.* A grant of relief shall be considered to be under this section and subject to the special finality provided in this section only if the SED grants the relief in writing when granting the relief to the party who will receive the benefit of such relief and only if, in that document, the SED declares that they are exercising that power. The SED must report the exercise of that power to the Deputy Administrator so that a full accounting may be made in keeping with the limitations of this section. Absent such a report, relief will not be considered to have been made under this section.

(c) *Additional limits on the authority.* The authority provided under this section does not extend to:

(1) The administration of payment limitations under part 1400 of this chapter (§§ 1001 to 1001F of 7 U.S.C. 1308 *et seq.*);

(2) The administration of payment limitations under a conservation program administered by the Secretary; or

(d) Relief may not be provided by the SED under this section until a written opinion or written acknowledgment is obtained from OGC that grounds exist for determination that the program participant has, in good faith, detrimentally relied on the guidance or actions of an authorized FSA representative in accordance with the provisions of this subpart, or that the producer otherwise failed, in good faith, to fully comply with the requirements of the program and that the granting of the relief is within the lawful authority of the SED.

(e) *Relation to other authorities.* The authority provided under this section is in addition to any other applicable authority that may allow relief. Generally, the SED may, without consultation other than with OGC, decide all matters under \$20,000 but those decisions shall not be subject to modification within the Farm Service Agency to the extent provided for under the rules of this section.
